COMBAT SHOTGUN COURSE OF FIRE

Our Combat Shotgun Course is an ever changing match.
We usually set-up to use approx. 75 rounds.

Targets are Steel "Pepper Poppers", Bowling Pins, and IPSC type Silhouette targets.

We shoot strong hand, and weak hand, and from behind barricade, through drums, etc.

You may load on the move, but all shooting is Stationary.
It is scored on time, with penalties for additional rounds fired.

#6 shot LOW BRASS is best, but you can use 7 ½, or 8 shot.
(sometime the steel doesn't go down with smaller shot)
Any gauge is welcome, but 12 Ga. works best.

The course is designed to put some pressure on the shooter who keeps a shotgun for home defense, to let them react under pressure.
We try to keep it FUN, & SAFE.

Cost is currently \$5.00 per match.

Hearing, and eye protection are required.

Shoots are Sundays at 1:00 P.M. (sign in at 12:00).
